We regret to inform that parents will not be permitted to bring the same during working hours.

Ours being an Arya Samaj School the students are expected to bring vegetarian food only. To keep the students fit & fresh please follow the menu given below:

VII. Leaves & Other particulars:

- i) The parents are requested to send leave letters in advance to intimate the absence of their wards. The name will be cut from the register if the absence crosses a week without leave letter. Leave should be availed only during bad health and on emergencies.
- ii) You are requested not to habituate your wards to spend lavishly. Gift distribution on special occasions will not be permitted. A particular child's 'PRIDE SHOWS' affect the whole Class Room and all parents are not happy to entertain the pressure from their wards. We feel that in a student's life such entertainment like parties, visiting Internet game clubs, food courts, cinema theaters are not advisable. It is brought to your notice that that Birthday celebrations are damaging the study hours and also diverting from studies. Hence sweet distribution and civil dress will not be permitted on birthdays for students of VIII to XII. Please co-operate.

As you know walking is a good exercise and makes the body fit. Morning walk has many more values. Hence avoid dropping children by cars if you are residing within a limit of one km.

iii) Birthday's: Sweet distribution (L.K.G to VII)

Keeping health consciousness in view you are advised to send a fruit / biscuit / a slice of plum cake / a small packet of mixed dry fruits (20 grams in zip lock cover) on your ward's birthday for distribution.

I would like to thank the entire community for supporting our staff and students throughout the year. Ensuring your child has a positive school experience in 2017-2018.

Seeking your cooperation

With Regards,

Principal
