Dear parent,  
Greetings from DAV Kukatpally.

Hope all of you are spending quality time with the kids. Special care to be taken to ensure that kids are well hydrated during this scorching heat. Encourage kids to complete the holiday homework in bits and pieces on a daily basis.

We wish to inform you that online fee portal is getting updated for the current academic session of 2024-2025. There is a nominal hike of 5% on tuition fees to meet the increasing expenditure and rising salaries. Online fee portal will be activated in a few days time. Once you receive the notification, online payment can be made for first term fees for 2024-25.

Meanwhile, there are a few parents who are yet to clear the fee dues for the last academic year 2023-24. In the online portal for next year, the pending fees will be clubbed with first term fees. So, the parents with fee default are requested to visit the main block office and clear the amount tomorrow itself to avoid any inconvenience. Consider the message with due importance and clear all the amount, so that the management will not be forced to take any action in case of defaulters.
