Dear parent,

Greetings from DAV Kukatpally. With all your support and co-operation, we have completed yet another eventful academic session 2024-25. We congratulate all the students on successfully completing the academic year and on being promoted to the next class. The summer heat is on the rise and take care to stay hydrated throughout the day.

We wish to inform you that online fee portal is getting updated for the current academic session of 2025-2026. There is a nominal hike of 7.5% on tuition fees to meet the increasing expenditure and rising salaries. Online fee portal will be activated in a few days time. Once you receive the notification, online payment can be made for first term fees for 2025-26.

Meanwhile, there are a few parents who are yet to clear the fee dues for the last academic year 2024-25. In the online portal for next year, the pending fees will be clubbed with first term fees. So, the parents with fee default are requested to visit the main block office and clear the amount on or before 16/04/2025, to avoid any inconvenience. Consider the message with due importance and clear all the dues, so that the management will not be forced to take any stern action in case of defaulters.
