Dear Parent (Nursery to II)

Greetings from D.A.V Public School, Kukatpally.

We are happy to have our enthusiastic kids back to the campus hale and hearty.

We wish to share with you the following details regarding class I & II :-

Based on the guidelines provided by National Curriculum Framework and DAV Centre for Academic Excellence, children in the foundational stage of school will only have 'a five day week' school. All Saturdays will be holidays for Nursery to Class II.

We will follow an activity based curriculum where children will take centre stage with the teacher being a facilitator for learning. We will focus on their communication skills and clarity of concepts. Psycho-Motor skills will be of utmost importance.

Parents are equal partners in moulding a child. You are encouraged to meet and discuss with the class teachers, regarding the progress and concerns about your ward on a regular basis as per the following schedule.

Nursery -- 1st Saturday from 9:30 am to 11:30 am

LKG & UKG -- 3rd Saturday from 9:30 am to 11:30 am

I & II -- 1st Saturday from 9:30 am to 11:30 am

We request you to spend quality time with your children developing their moral values and imagination. Make them partners in small tasks at home like cleaning the room, filling water bottles etc. This will help to instill dignity of labour in them. Consciously cut down on their screen time and encourage them to read small story books. Motivate them to regularly attend the school.

Sports uniform will be worn on Fridays from this academic year (applicable only for class I & II)

Let us take ownership of building honest, confident and patriotic young minds by joining our hands.

Regards

Mrs. Binu Jacob

Principal
